## **Introduction**

Prashant Kapila, obtained a Post-Graduation Degree in Civil & Environmental Engineering from Carnegie Mellon University, USA in the year 2000 and has leveraged his academic training with his professional experience to expand and propagate the steady growth of Intercontinental Consultants and Technocrats Pvt. Ltd. where he has served in the capacity of COO since 2010.

As the Chief Operating Officer of ICT, an ISO 9001:2015 certified, multi-disciplinary firm of international consultants, working in 49 countries, Prashant has gained a profound knowledge in modern business practices while being rooted in the ethos of a strong work culture that focuses on providing the highest quality services for the Client while employing innovative, creative and technologically sustainable solutions.

In the past, Prashant has served on the Governing Council of CEAI and is also a member of the current Governing Council. He is well versed with the FIDIC Conditions of Contracts, ICB Procedures, Institutional strengthening and Training and Technology Programs.

He has also been at the forefront of the YPF program at FIDIC and has actively contributed to it over the years by training and adhering to international guidelines for sustainable development within the industry. Prashant was honored with the FIDIC Young Professional Award for the year 2017 at a splendid ceremony at FIDIC International Conference in Jakarta, Indonesia

## **Summary**

Prashant at the helm of ICT has led from the front and has become the epitome of professional excellence for young professionals in the industry. His drive to integrate the innovative practices from all reaches of the world has made him a stellar example of a young leader in the ever-changing business environment.
