

Vinay Kumar Singh

A brief profile of the Managing Director, NCRTC

Mr Vinay Kumar Singh is the Managing Director of NCR Transport Corporation (NCRTC), a joint venture of Government of India and participating State Governments of Delhi, Rajasthan, U.P. and Haryana. NCRTC has been mandated to design, develop, finance, operate and maintain the Regional Rapid Transit System (RRTS) for NCR with an aim to provide fast, safe and comfortable transit between Delhi and nearby NCR towns such as Meerut, Ghaziabad, Panipat, Sonipat, Gurgaon, Manesar and Alwar etc.

Mr Singh is an officer of the Indian Railway Service of Engineers (IRSE) and is a Post-Graduate from the Indian Institute of Technology (IIT) Delhi. He is a civil engineer and has worked on a wide variety of challenging professional assignments including maintenance of the highly demanding Ahmedabad - Kandla Port rail line as Divisional Engineer, Deputy Chief Engineer in charge of the first section of Delhi Metro Rail Project and Executive Director in the Ministry of Railways, Government of India.

Mr Singh was the Chief Executive Officer of the HighSpeed Rail Corporation, a subsidiary of Rail Vikas Nigam Ltd, where he played a key role in finalising the feasibility study of Mumbai-Ahmedabad High Speed Rail Corridor and finalisation of techno-economic agreement between India and Japan for construction of this line.
